Next Weeks Focus Value:

Showing INTEGRITY: Playing Fairly

Welcome back! We have had a very busy first week and it's been awesome to see the children back in action, learning and sharing their achievements. I have had the pleasure of having quite a few students show me work they are proud of, and rightly should be.

This week our focus was on manners. With the scaffolding up and lots of visitors moving in and out of the office/staff area, it's been really rewarding to see the impact of the teaching lessons around using our manners and being polite. We are very proud of our tamariki and hope you are seeing this flow into your homes. Next week we will be focussing on using fair play.

We have had a fairly busy workspace around the school with the scaffolding and builders who are on site working on the roofing of our school. This has meant the entrance to our office has temporarily changed and is now at the staffroom entrance off the Room 4-6 hallway, requiring a walk through the staffroom to front office. It's been lovely to see the children and whanau who have visited school and touch base with you all. Please do not hesitate to call in and say hello.

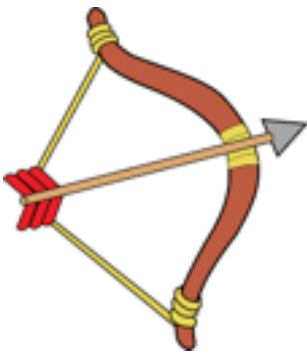

With construction workers on site, our front gate entrance cannot always be cordoned off as usual. Please refrain from using the driveway to park cars at drop off and pick up times, this is not safe for those children walking.

Please don't forget that Week 2 - Wednesday 9 May and Week 3 - Wednesday 16 May are half days due to teacher training. This was arranged and advertised throughout Term 1, please ensure to arrange care and collection for children on these days. We do apologise for any inconvenience.

On a personal note, I want to thank Whanau, our Mayfair children and staff for the incredible support and encouragement I have had throughout my 'first week on the job'. It's been an amazing first week and I have learnt a lot. We have an incredible school community and I cannot say enough, how proud and grateful I am to be a part of it. Thank you so much.

Naku noa,
Lynley Edmonds (Acting Principal)

ARCHERY LESSONS - This past week our Year 5/6's were fortunate enough to take part in Archery lessons. They all thoroughly enjoyed the opportunity to have a go at something new, and we thank Stacey & Jessica from Youthtown who came in to take these lessons.

PIZZA FUNDRAISER

Please note that our Wednesday Pizza Day is raising funds for the end of year School Camp. We have noticed that some families are buying their own pizzas and bringing them into school. **PLEASE do not do this.** This defeats the purpose of trying to fundraise.

THANK YOU!

Term Events

(Please mark your calendars)

Please note, notices/reminders for these events will come home closer to the them happening.

7 - 11 May	Road Safety Week
