Kia ora Koutou,

On Tuesday we were visited by Heather Hunt and Tim Tipene as part of the Storylines National tour. Heather is an illustrator and spoke to our year 1 and 2s, and helped them to create some beautiful crayon kiwis. Tim Tipene inspired our bigger tamariki to show resilience in challenging times. Overcoming adversity, Tim is now an award winning author and martial artist.

Gymnastics competitions for Junior and Senior students are happening on Tuesday and Wednesday next week. Parents and Whanau of children involved are welcome to go along to watch. Times on both days are 12.30 - 1pm.

We also have volleyball skills sessions running for our Senior classes throughout next week. This is an excellent opportunity for our tamariki that we are sure they will enjoy. We have lots of different sports and sporting events happening at the moment for our tamariki. It is fantastic to see them giving it a go and showing great resilience. It is also so awesome to see parents and whanau supporting the kids and our school.

Just a friendly reminder, and some tips, to encourage positive support from the sideline. Be a good role model. Children watch and learn from us, so it's important we set a good example. Although it is great to win, the focus, especially for junior sport, should be on having fun and learning new skills.

Try not to be too critical of coaches or umpires. ALL of our coaches and umpires are volunteers who are giving up their time, for free, to support our wonderful children. Constructive advice or feedback is great, but a friendly chat, at the end of the game, is the best way to do this.

Thanks again for your on-going support and help with sport.

The roofing project has been running along nicely and you will start to see scaffolding being removed as of today. There is another project yet to complete in the staffroom stairwell, however by this point we hope to have access to our office reopened. A notice via Facebook and our School App will inform you of when this entrance way is accessible again.

We are fundraising for Child Cancer Society this coming Wednesday. This is an important cause, close to our hearts as a staff and school. **Children are to remain in school uniform**, but are encouraged to wear a wig, hat or decorated hat or even wacky hair on this day. A gold coin donation from each child will contribute to this very worthy cause. Thanks again for another great week and enjoy your weekend.

PB4L What we think...

WEEK 6 FOCUS: Think before reacting! RESILIENCE

If you react in a bad way you could hurt someone or yourself.

Addie

If you get into an argument - think of the Mayfair Way before you act out.

Soul

Respond in a good way - not bad. Do the Mayfair Way.

Hunter

We need to think before we do something, because it might hurt yourself or others around you.

Chevelle

If someone is bullying you, don't react in a bad way. That's not showing our values.
