Kia ora Koutou,  
We are heading toward the end of a very busy term. Our teachers have worked tirelessly on writing student reports which will come home with the oldest child from your family on Friday 29 June. An explanation letter will be attached also. We are trialling this format and will send home a survey for your feedback. Please remember to bring your copy of the report along with you to the Whanau/Teacher interviews for Monday and Tuesday of week 10. These will serve as a base for future goal setting.

In saying that, we have been advertising a few early closing times throughout the next two weeks. The first is this Wednesday 27 June, where children are asked to be collected at 2pm. Please contact the office if you are not able to do so, so that we can arrange cover. Teachers will be attending an important NZEI paid negotiation meeting on this date. Monday 2nd July and Tuesday 3rd July are our Whanau/Teacher interview days, please ensure your child can attend with you as this is a collaborative meeting between the teacher, student and family. Our closing time for these two days will be 12.30pm. We apologise for any inconvenience this may cause, it has been a very busy term and unfortunately cannot be helped.

Another couple of great sporting opportunities happened this week with both the Junior and Senior Gymnastics festival on Tuesday/Wednesday and Volleyball skills running throughout the week for senior rooms in the hall. Thank you to Annie Riley, Kerry MacKenzie and James Bailey who spent their time organising, training and facilitating these great opportunities.

You may have noticed part of the scaffolding has been removed. This is because the main area of work has been completed with the remainder on the stairwell window facing our Junior block, finishing during the holiday period. This means the office entrance is now available for use and we no longer need to use the staffroom entrance to access our lovely Sheryl and Kathy. The work our contractors have completed has not only repaired and reinforced our roofing area, but it looks really good too!

We have a Duffy Theatre visit and a Duffy Book Assembly next week. Expect to see your child bring home their Duffy book later in the week.

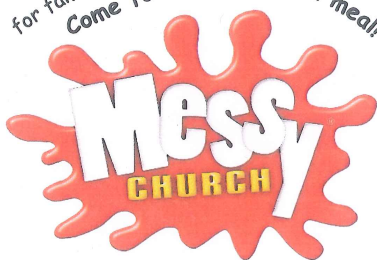

Thank you all for another fantastic week, the children are buzzing along nicely. It was fantastic to see the effort put in with our Wacky wig/hair/hat day. The children looked fantastic and we were able to contribute to such a wonderful cause in the process.

Have a great weekend.
