

**Week 3 Term 3**  
**13 August 2018**

Next Week's Focus Value:  
**Make your own choices**  
**Resilience**

Tena Koutou,

Many apologies for this newsletter coming home today and not last Friday! We have had a few issues with our printer and only got it up and running this morning.

**We have the strike this Wednesday.** There are 4 key points for the strike:

- the crisis in education
- time and workload
- issues with salary and relativities
- career development

We do have some huge issues in education and we need your support in order to support the children. We just aren't resourced well enough at schools to meet the growing needs of students.

**To clarify, the school is closed this Wednesday.**

We have some really fantastic kids here at Mayfair School. Thank you for choosing our school. We have our challenges like all schools and are always working to improve.

Well done to all our sports teams and children playing club sports. I had some awesome feedback on your fair play and care of team mates and opposition. It really makes me proud to hear and see you being great role models. This being said, we have had a few concerns this term with a small number of students making poor choices in behaviour and actions last week. Thank you to whanau for your support and the community for letting us know. We spend the first 15 minutes of each day teaching behaviour to all students and this has reaped rewards. Keep reinforcing that positive behaviour at home and I am sure it will continue to make a difference.

Regards

Principal

My name is Robert van Duin and I am 3rd Dan Seido karate student with 20+ years experience.

Seido Karate is a traditional martial art with a modern approach.

Seido Karate is for students from the age of 7 to 70 and is learnt in an encouraging and supportive environment, with people who enjoy training together.

Come along and watch a class, or join in – your first two weeks are free and students from Mayfair School will have a special rate.

WEEK 2 FOCUS:  
Participate & contribute with a  
good attitude - INTEGRITY

## PB4L What we think...

Having a good attitude means you will  
enjoy activities more. **Kazmea**

Having a good attitude means being kind to  
each other. **Claire**

A good attitude makes activities more fun  
for yourself and others. **Amber**

Our netball players continue to show great sportsmanship and improvement in their skills during mid-week games. You are all amazing. A big thank you once again to all our wonderful coaches.
