Planting Seeds in Room 7 -

Tena Koe,

We have one week of school left for this term. We will finish school at 3pm on this day.

The students have had a really busy term. It was amazing seeing everyone at our cross-country event. We haven't had that many parents since I have been at school. This week we had the Hastings cross-country and four of the students have made it to the Hawkes Bay champs. A first for the school in my time.

Next week we have the Tohea Trophy Tournament at Raureka School. We lost our title last year to Ebbett Park School and I am dead keen on getting our trophy back, particularly since Miss M is their new principal and will be reading this newsletter. We have mostly Year 5 and 6 competing with some year 4 students to make up the team numbers.

Please get onto our whanau page on Facebook as we are using this for consultation feedback. There is a link on the public page. The hoodie and jacket consultation will finish on Sunday.

We have beanies in the office for sale. They look really sharp even if they have arrived late for winter. They are top quality and not rubbish ones.

We have a number of students playing for Tamatea at the Taupo Tournament. I hope you have all had an amazing time.

Have an awesome weekend.

Ricardo
